

# Confidential Campus Advocacy

Our Washington State Certified Victim Advocates provide free and confidential advocacy services to victims, survivors, loved ones, and witnesses of traumatic events. We help people understand their rights, identify their options, empower themselves, and expand their support systems. We have privileged communication with survivors as outlined by RCW 5.60.060(7)(b). Our advocates will not share your story or information with your school.

# Confidential Campus Advocacy

## Our Washington State Certified Victim Advocates can:

- Explain your rights and options on and off campus
- Help you plan for safety on and off campus
- Give you medical information and support
- Support you while you report to law enforcement and/or Title IX if you so choose
- Help you with protection orders
- Help you apply for Crime Victims Compensation
- Connect you to Walker, our Courthouse Facility Dog
- Facilitate support groups to encourage positive coping/healing
- Provide education to students, faculty, and staff
- Refer you to community resources
- Listen, support, and believe you
